Spring Clothing for Men and Boys

In the Spring the cry is "Off with the old and on with the New!" Spring hasn't come as yet, it is true, and will not be here for at least another month, but Spring garments are to be seen in every store, and it is none too early to make your selections. The materials, workmanship and style of Spring garments a month or six weeks hence will not surpass those of the present time—but the prices will be higher. If you haven't seen our advance styles for Spring wear, come here to-morrow and look them over. Nowhere else will you find a bigger or finer assortment, and nowhere else such low prices. Look over a few of our offerings for to-morrow—they are all money-savers of the very first order.
